

Vertical sliding windows
Experience the benefits of noise reduction, low maintenance, safety and security and energy efficiency, with our REHAU Heritage system achieving an A window energy rating.

Period style with vertical sliding windows

Designed to replicate traditional timber box sash windows, the REHAU Heritage window system will provide you with a traditional-looking sash window combined with the numerous benefits of modern uPVC windows.

Added value and authenticity

Superbly engineered and of exceptional quality, sash windows manufactured from the REHAU Heritage system will add real value, authenticity and style to your home without sacrificing performance. The REHAU Heritage system has been developed following extensive consultation with conservation bodies and as a result, our sliding sash windows are the most distinctive and authentic-looking uPVC sash window available in the UK.

Attention to detail

Classic-style hardware and fittings and optional decorative horns replicate the traditional timber sash window to create a stunning finish. Further attention to detail in the form of a deep bottom rail and optional georgian bars add to a simply superior modern sash window.
