THE

Traditional Collection

The Traditional collection from Solidor, brings classic designs into the modern era. Each door design is suited to both traditional and modern properties alike, and will add a touch of elegance to every home.

Ludlow

Colour - Painswick
Glass - London Etch

The Ludlow is Solidor's most popular style of composite door.

It's perfectly suited to both rich colours such as red and traditional woodgrain effects such as rosewood. The two glazed panels can help shape the visual appearance of the overall door with options ranging from the traditional diamond to the more contemporary abstract. There's also the option of a solid door, which looks great in Irish Oak.

Conway

Colour - Foiled White
Glass - Caledonian Rose

The Conway is a highly versatile composite door solution.

This door can be designed as a completely solid door, or with just the top fanlight glazed or even with a fully glazed design to take account of the vast array of glass options. The square or quad glass options can be manufactured in grey, black and red colours for added elegance. Our advice is to also choose a bold door knocker for this design!

Beeston

The Beeston makes a fantastic composite stable door.

Given the size of the glazed area, it's possible to create something particularly individual when combined with one of the major colours, or you can even specify an integral blind. Like all the doors in the Solidor range, there's the option of chrome, brushed, gold, black chrome, black and white door furniture. So go on, be bold in your design!
